WELCOME

The team and I are delighted to welcome you to the 2023 edition of VOLTA New York.

As a team we endeavour to continue VOLTA's founding aims – to support you, our devoted collectors, to discover the art of now, connect with our galleries and grow your art collection.

This year we have a strong roster of galleries that are presenting art with an international breadth, from both traditionally defined art market capitals and beyond. Their work truly reflects the world we live in and the topics close to our collective hearts.

Thank you for joining us at VOLTA New York 2023. Enjoy art collecting at what we hope is one of our most vibrant chapters so far.
